

## Banned Materials

### Waste Containers:

The following items are **NOT** allowed in a commercial waste container:

- Appliances
- Batteries (All types)
- Medical Waste
- Radioactive Waste
- Any type of oil or oil covered rags
- Asbestos
- Chemical Products
- Flammable liquids
- Expanded Polystyrene Packaging (Styrofoam)
- Herbicides/Pesticides
- Mattresses
- Needles
- Tires and Steel Tire Rims
- Ammunition
- Bodily Fluids
- Construction Debris
- Paints or Thinners

### Contamination:

Please note that continued contamination of your containers with materials that are not allowed in them may result in either a contamination fee on your invoice or refusal of service on your bins.
